

## Dance Assistant

Looking for a responsible, dedicated, energetic dance instructor for our successful dance program. Candidates must have a dance background and at least one year of teaching experience or experience working with children. Responsibilities include assisting dance classes for children (preschool through 5th grade). This is an incredible opportunity to teach dance classes for children of all ages!

### Qualifications

- Must have a background in dance and at least one year of teaching experience or experience working with children
- Must have a car

### Education

- Bachelor's

### Pay

- \$25/hour, commensurate with experience.

### Responsibilities

- Description: Responsible for assisting head teacher with choreographing, organizing, leading, and teaching dance techniques for specialty dance classes such as ballet, hop-hop, and acro dance to children ages 3-12 years old.
- Provides an enjoyable and safe dance experience for program participants
- Demonstrates personal dance technique skills and transfers to the participant within their level of learning
- Communicates effectively with participants, parents, and coworkers in regards to schedule, progress and performance
- Maintains current and accurate records relative to all aspects of the program and will uphold appropriate recreation and dance program operations, safety and risk management procedures
